

How to Buy a Case or Article

If you would like to purchase a case or article, you can do this through one of our distributors, PRIMIS (www.primisonline.com) or ecch (www.ecch.com). Pricing information is available at each site. Copyright law prohibits you from reproducing any cases without permission EXCEPT cases you have written.

PRIMIS offers the option of building your own custom print book or e-book, combining material from more than one source. To start the process, go to www.primisonline.com and enter a keyword in the search box on the right to locate the case you would like to find, then proceed through the steps for creating your own custom publication.

Ecch allows you to purchase an individual case or article quickly and easily, in either print or electronic format. Begin by going to www.ecch.com and entering a keyword in the search box on the top of the page to locate the case you would like to find, then follow the steps necessary to purchase the case.
